Step into the world of Vega

Vega, India's No. 1\* Hair Styler Appliance Brand, is one of the leading brands in the Personal Care Appliances and Beauty Care Accessories. Recognized as a pioneer in the Hair Brush and Hair Comb category, we are committed to providing a modern approach to everyday head-to-toe grooming and styling, emphasizing efficiency, ease of usage and affordability.

Today, where self-expression is celebrated, Vega helps individuals unleash the best of who they are by empowering them rather than changing them. We follow the simple philosophy of celebrating individualism, self-love and self-expression.

Our extensive range of 600+ SKUs include Hair Stylers, Hair Straighteners, Hair Straightener Brushes, Hair Dryers, Hair Curlers, Beard Trimmers, Grooming Sets, Ball Trimmer, Hair Brushes, Handmade Combs, Bath Accessories, Make-up Brushes and Pedicure & Manicure Tools, among others to simplify your styling, grooming and hygiene solutions.

Vega also takes immense pride in manufacturing products in its state-of-the-art facility, celebrating the spirit of truly and proudly Made in India.
